CALL FOR PAPERS

CENTER ON US POLITICS AND POWER (CUSPP) JUNIOR RESEARCHER WORKSHOP 2022

The Finnish Institute of International Affairs (FIIA) is inviting applications for the Center on US Politics and Power (CUSPP) Junior Researcher Workshop on Thursday, **28 April 2022 from 14:00 to 16:00** at either FIIA (Arkadiankatu 23B, 5th floor, Helsinki) or MS Teams depending on the situation with the pandemic.

The Workshop provides students working on their Master's Thesis or in the very early stages of their Doctoral Dissertation the opportunity to network and receive feedback on their work from researchers at FIIA in an informal, relaxed and intellectually-stimulating setting.

Contributions should focus on a topic related to American foreign policy, or the US's international relations, domestic politics or legal system. Papers dealing with great-power relations more generally can also be accepted. Contributions can include, for instance:

- A research plan for a Master's Thesis or Doctoral Dissertation
- A part of the thesis or dissertation manuscript
- An article manuscript or working paper

Applications will be evaluated on the basis of an abstract of maximum 500 words. Please submit your abstract by **15 March**.

Accepted presenters will be requested to submit full draft papers by **14 April**. The draft papers should be approximately 6000 words in length.

The working language of the workshop will be English, but we accept contributions written in English and Finnish. Please note that it is also possible to participate in the workshop without presenting a paper.

Submissions, confirmation of participation and any questions related to the workshop should be addressed to Project Manager Marie-Louise Hindsberg, marie-louise.hindsberg@fiia.fi

The workshop is part of the CUSPP research series. The workshop is open to all interested in US politics and transatlantic relations. Graduate students are most welcome to join and meet with scholars involved, in a relaxed and informal setting.
